THE MASTER POLICY IS NOT A COMPREHENSIVE OR FULL-COVERAGE ACCIDENT AND HEALTH INSURANCE POLICY, NOR IS IT A MAJOR MEDICAL PLAN. RATHER, IT PROVIDES LIMITED SCHEDULED BENEFITS TO INSURED PERSONS, AS OUTLINED HEREIN, WHILE THEY ARE TRAVELING OR TEMPORARILY RESIDING OUTSIDE THEIR HOME COUNTRY.

A. AGREEMENT Sirius International Insurance Corporation (publ) (the Company) promises and agrees to provide the Insured Person with the benefits described in the Master Policy, as outlined herein and coverage for which is certified hereunder by the Company. The Company makes this promise and agreement in consideration of the Assured's application, the Insured Person's Application and payment of Premium, and subject to all of the Terms of the Master Policy and as contained therein, including any Riders. The Master Policy is effective as of January 1, 2009, and shall remain in effect until terminated in accordance with Section B(17), below. This Certificate shall be effective as of the Effective Date of Coverage shown on the Declaration, and shall remain in effect until terminated in accordance with Section B(18), below. This certificate is not part of the insurance contract. The contract is the Master Policy, the application, and any applicable riders. This certificate is merely a description of and evidence of the insured party's rights and benefits under the contract. The Declaration likewise is evidence of the coverage under the contract and a statement of the effective date of coverage, subject always to the terms of coverage contained within the contract. The Company hereby recognizes International Medical Group[®], Inc., as the Company's authorized agent and representative, and as the Plan Administrator of the Master Policy and this Certificate. Subject to the provisions of Section B(6), below, all communications, notices and payments to the Company that are required or permitted under the Master Policy and/or as described in this Certificate should be transmitted through the Plan Administrator, and receipt of same by the Plan Administrator shall be considered receipt by the Company. THIS INSURANCE IS ISSUED PURSUANT TO APPLICABLE SURPLUS LINES LAW. PERSONS INSURED BY SURPLUS LINES CARRIERS DO NOT HAVE THE PROTECTION OF STATE INSURANCE GUARANTY LAWS TO THE EXTENT OF ANY RIGHT OF RECOVERY FOR THE OBLIGATION OF AN INSOLVENT UNLICENSED INSURER.

B. CONDITIONS AND GENERAL PROVISIONS - The following Terms are conditions precedent to the Company's liability under the insurance provided to the Insured Person pursuant to and in accordance with the Terms of the Master Policy, as represented by this Certificate (such insurance being sometimes referred to herein as "this insurance"):

(1) ENTIRE AGREEMENT - The Master Policy, including the Application, the Declaration, and any Riders, shall constitute the entire agreement among the Company, the Assured, and the Insured Person. This Certificate, including the Application, the Declaration, and any Riders, is an outline of the insurance provided by the Master Policy. This Certificate does not extend or change the coverage provided by the Master Policy. The insurance evidenced by this Certificate is subject to all Terms of the Master Policy, including the Application, the Declaration, and any Riders.

(2) PREMIUM - Payment of required Premium shall be remitted to the Company on or before the Effective Date of Coverage specified on the Declaration, and on or before any renewal date as specified in Section B(21) Renewal/Amendment.

(3) PROOF OF CLAIM - When the Company receives notice of a claim for benefits under this insurance from or on behalf of an Insured Person it will provide the Insured Person with Claimant's Statement and Authorization Forms ("Claim Forms") for filing Proof of Claim. The following items must be submitted by or on behalf of the Insured Person to be considered a complete Proof of Claim eligible for consideration of coverage under this insurance ("Proof of Claim"):

- (a) a duly completed, timely submitted, and signed Claim Form; and
- (b) all original itemized bills and statements of services rendered from all Physicians, Hospitals and other healthcare or medical service providers involved with respect to the claim; and
- (c) all original receipts for any costs, fees or expenses that have been incurred or paid by or on behalf of the Insured Person with respect to the claim, including without limitation all original receipts for any cash and/or credit card payments.

The Insured Person shall have ninety (90) days from the date a claim is incurred to submit a complete Proof of Claim, and the Company at its option may pend resolution and adjudication of submitted claims and/or may deny coverage: for Proofs of Claim submitted thereafter; or for incomplete Proofs of Claim; and/or for failure to submit a Proof of Claim; provided, however, that the Company at its option may waive the requirements of subsection B(3)(a), above, regarding submission of a new Claim Form for subsequent claims incurred by an Insured Person relating to a continuing illness, injury or other medical condition for which a properly completed and signed Claim Form has previously been submitted and received.

(4) APPEALING A CLAIM - In the event the Company denies all or part of a claim, the Insured Person shall have ninety (90) days from the date that the notice of denial was mailed to the Insured Person's last known residence or mailing address to file a written appeal with the Company. Upon receipt of a written appeal, the Company will respond in writing as soon as reasonably practicable, and in any event within ninety (90) days from receipt thereof.

(5) ASSIGNMENT, CHANGE OR WAIVER - Notwithstanding any law, statute, judicial decision, or rule to the contrary which may be or may purport to be otherwise applicable within the jurisdiction, locale or forum state of any healthcare provider, no transfer or assignment of any of the Insured Person's rights, benefits or interests under this insurance shall be valid, binding on, or enforceable against the Company unless first expressly agreed and consented to in writing by the Company. Any such purported transfer or assignment not in compliance with the foregoing Terms shall be void and without effect as against the Company, and the Company shall have no liability of any kind under this insurance to any such purported transferee or assignee with respect thereto. The Terms of the Master Policy as evidenced by this Certificate shall not be waived or changed except by the express written agreement of the Company.

(6) SERVICE OF SUIT; VENUE; CHOICE OF LAW; TRIAL BY COURT - The contract of insurance between the Insured Person and the Company as represented by the Master Policy and evidenced by this Certificate shall be deemed issued, finalized and made in Indianapolis, Indiana. Sole and exclusive jurisdiction and venue for any court action or administrative proceeding relating to this insurance shall be in Marion County, Indiana, for which the Insured Person expressly consents. The subjects, risks and benefits of insurance covered by the Master Policy and evidenced by this Certificate are not intended or considered by the Insured Person or the Company (or the Plan Administrator) to be resident, located, or to be performed in any particular State of the United States. Indiana law shall govern all rights and claims raised under this Certificate of Insurance.

In the event of the failure of the Company to provide benefits or pay or reimburse any amount claimed to be due under this insurance, the Company, at the request of the Insured Person and upon receipt of lawful process or summons, will submit to the jurisdiction of a court of competent subject matter jurisdiction located in Marion County, Indiana, provided there exists an independent statutory and constitutional basis for *in personam* jurisdiction over the Company in said court and by said forum State. The Company consents to personal jurisdiction and venue in the Circuit and/or Superior Courts of Marion County, Indiana, and in the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise appropriate and lawful). All trials regarding any dispute under this insurance shall be exclusively presented to and determined solely by the court as the trier of fact, without a jury. The Company reserves the right, acting by and through the Plan Administrator, to initiate and pursue actions for declaratory judgment and/or other appropriate relief with respect to the validity, binding effect, administration of and/or any dispute or controversy arising under this insurance. In any suit instituted by or against the Company pursuant to the Terms of this Section B(6), the Company will abide by the final decision of such court or of any appellate court in the event of an appeal.

For Florida residents only: If any dispute shall arise as under the terms and conditions of this Certificate, such dispute may be referred to arbitration in accordance with the procedures of the American Arbitration Association. Any such arbitration shall be held within 50 miles of the Insured Person's residence, with the Company to pay costs and fees (not including any attorney fees) of the proceeding in excess of \$500.00.

Nothing in this Section B(6) constitutes or should be deemed, considered or understood to constitute a waiver of the Company's rights to: (i) oppose venue, procedural and/or substantive choice of law, personal jurisdiction, or subject matter jurisdiction in any forum other than the Circuit or Superior Courts of Marion County, Indiana, or the United States District Court for the Southern District of Indiana, Indianapolis Division (assuming that federal jurisdiction is otherwise appropriate and lawful), (ii) commence an action in any court of competent jurisdiction in or outside of the United States, (iii) remove an action to a United States District Court, or (iv) seek transfer of a case to another court or forum as permitted by the laws of such forum or the laws of the United States or of any State in the United States, as applicable; all of which rights are expressly reserved and retained.

Subject to and without limiting, expanding, superceding, modifying or waiving any of the foregoing Terms contained in this Section B(6), pursuant to any statute of any State, territory or district of the United States which makes provision thereof, the Company hereby designates the Superintendent, Commissioner, or Director of Insurance (or such other officer specified for that purpose in the statute), or his successor or successors in office, as its true and lawful attorney, under a special power of attorney, upon whom may be served any lawful process issued in connection with the initiation of any action, suit or proceeding instituted by or on behalf of the Insured Person arising out of this insurance, including specifically the Commissioner of Insurance for the Indiana Department of Insurance, 311 West Washington Street, Suite 300, Indianapolis, IN 46204, and hereby designates and appoints John P. Dearie, Jr., Esq., Edwards & Angell, LLP, 750 Lexington Avenue, New York, New York 10022, as its attorney-in-fact and agent for service of process to whom said officer or Commissioner is authorized to mail or serve any such process or a true copy thereof.

(7) MISREPRESENTATION - Any misstatement, omission, concealment or fraud, either in the Insured Person's Application which forms a part of the Master Policy and this Certificate, or in relation to any statement, certification or warranty made by the Insured Person or their representatives, agents or proxies, whether in writing or otherwise, to the Company or the Plan Administrator or their respective agents, employees or representatives, or in connection with the making of any claim under this insurance, shall render this Certificate null and void and all claims and benefits under this insurance shall be forfeited.

(8) INSOLVENCY - The insolvency, bankruptcy, financial impairment, receivership, voluntary plan of arrangement with creditors or dissolution of the Assured or any Insured Person shall not impose upon the Company any liability or obligation other than that specifically included in this insurance.

(9) SUBROGATION CLAUSE - The Insured Person undertakes to pursue in his/her own name and stead, and to fully cooperate with the Company in the prosecution of, any and all valid claims that he/she may have against any third party who may be liable arising out of any act, omission or occurrence which results or may result in a loss payment or coverage of claim by the Company under this insurance, and to account to the Company for any amounts recovered in connection therewith, on the basis that the Company shall be reimbursed and entitled to recover first in full for any sums paid by it before the Insured Person shares in any amount so recovered. Should the Insured Person fail to so cooperate, account, or to prosecute any valid claims against any such third party or parties, and the Company thereupon or otherwise becomes liable to make payment under the Terms of this insurance, then the Company shall be fully subrogated to all rights and interests of the Insured Person with respect thereto and may prosecute such claims in its own name as subrogee. The Insured Person's submission of Proof of Claim or acceptance of coverage or benefits under this insurance shall be deemed to constitute an assignment of such subrogation rights by the Insured Person to the Company. Any amount recovered by the Company shall first be used to pay the costs and expenses of collection incurred by the Company, including reasonable attorneys' fees, and for reimbursement to the Company for any amount that it may have paid or become liable to pay under this insurance. Any remaining amounts recovered shall be paid to the Insured Person or other persons lawfully entitled thereto, as applicable.

(10) OTHER INSURANCE - The Company shall not be obligated to provide any benefits or to pay any claim under this insurance if there is any other insurance, membership benefit, government program, reimbursement or indemnification coverage, right of contribution or recovery, contract, or other third-party obligation or provision of benefits ("Other Coverage") which would, or would but for the existence of this insurance, be available or obligated to provide such benefit or to pay such claim, except in respect of any excess beyond the amount payable or provided under such Other Coverage had this insurance not been effected. The Company shall not be obligated to provide any benefit or to pay any claim in respect to care, treatment, services or supplies furnished by any program or agency funded by any government.

(11) CANCELLATION BY INSURED PERSON - The Insured Person may request cancellation and a refund of premium for this insurance by giving the Company written notice prior to the Effective Date of Coverage under this Certificate. After such Effective Date, the following conditions apply for cancellation of this insurance:

- (1) If any claims have been filed with the Company, the Premium is fully earned and is non-refundable.
- (2) If no claims have been filed with the Company,
 - (a) a cancellation fee of US\$25.00 will be charged; and
 - (b) refund will be issued on a pro-rata basis.

(12) APPLICABLE CURRENCY - All benefit amounts, coverages, monetary limits and sub-limits, and other amounts stated in the Master Policy, the Application, the Declaration, this Certificate, and in any Riders, including Premium, are in U.S. dollars.

(13) COOPERATION - The Insured Person and his/her Physicians, Hospitals and other healthcare and medical service providers and suppliers shall undertake to cooperate fully with the Company and the Plan Administrator in reviewing, investigating, adjudicating and/or administering any claim for benefits under this insurance, including granting full right of access to all relevant or related medical documentation, medical histories, reports, lab or test results, x-rays, and other available evidence relating to or affecting the investigation, adjudication or administration of the claim. The Company may deny coverage for a claim when there has been a refusal or material failure to so cooperate.

(14) CLAIM SETTLEMENT - Eligible and covered claims under this insurance that have previously been paid by or on behalf of the Insured Person at the time of the Company's adjudication thereof will be reimbursed directly to the Insured Person, by check, at his/her last known residence or mailing address. While this insurance is in effect, the Insured Person shall undertake to promptly notify the Company of any change in such address(es) subsequent to the Effective Date of Coverage. Eligible and covered claims that have not yet been paid by or on behalf of the Insured Person at the time of adjudication will be paid by check or wire transfer to the Insured Person at his/her last known residence or mailing address, or, at the sole option and discretion of the Company (but without obligation to do so), and as an accommodation to the Insured Person, directly to the provider(s). All claim settlements are subject to the applicable Deductible, scheduled limits and sub-limits, maximum limits, and all other Terms of this insurance. No provider or other third-party shall have any direct or indirect claim or right of action against the Company under this Certificate or the Master Policy, whether by purported assignment of benefits, subrogation of interests or otherwise, unless first expressly agreed and consented to in writing by the Company, and notwithstanding the Company's exercise or failure to exercise any option or discretion under this Section regarding the method of claim payment. No provider or other third-party is intended to have or shall have any rights as a third-party beneficiary under this Certificate or the Master Policy.

(15) FRAUDULENT CLAIMS - If any claim or request for benefits under this insurance shall be in any respect fraudulent or deceitful, or if the Insured Person or anyone acting for or on his/her behalf under this insurance uses any fraudulent or deceitful means or devices, all past, present and future benefits, coverages and claims under this insurance shall be forfeited and waived by the Insured Person and may be cancelled, voided, rescinded and terminated by the Company in its sole and absolute discretion, and the Company shall have no obligation or liability for any such benefits, coverages or claims.

(16) ARBITRATION - No claim for benefits for which liability, eligibility, or coverage under this insurance has been denied in whole or in part by the Company nor any other dispute or controversy arising under or related to this insurance shall be arbitrable or subject to arbitration under any circumstances or for any reason.

(17) TERMINATION OF MASTER POLICY - The Master Policy can be terminated at any time by either the Company or the Assured by giving at least thirty (30) days written notice to the other and to the Insured Person. Such termination will have no effect on this Certificate prior to the date of the termination, or on eligible coverages or benefits under this insurance accrued prior thereto. No Certificates will be issued after the date the Master Policy is terminated.

(18) TERMINATION OF COVERAGE FOR INSURED PERSONS - Coverage and benefits for the Insured Person under this insurance will terminate effective at 12:01 AM, EST, on the earliest of the following dates:

- (a) The next day following the end of the period for which Premium has been fully and timely paid; or
- (b) The Termination Date as shown on the Declaration for this Certificate; or
- (c) The date the Insured Person returns to their Home Country (subject to the provisions of Section K, below, regarding incidental Home Country coverage); or
- (d) The next day following twenty-four (24) months from the Initial Effective Date; or
- (e) The date the Insured Person first fails to meet or no longer meets the eligibility requirements for this insurance as set forth herein; or
- (f) The date the Company, at its sole option, elects to cancel from the Visitors CareSM insurance plan (sometimes referred to herein as "this insurance plan") all insured persons of the same sex, age, class or geographic location as the Insured Person, provided the Company gives no less than thirty (30) days advance written notice by mail to the Insured Person's last known residence or mailing address of its intent to exercise such option; or
- (g) The date the Insured Person enters active military service; or
- (h) The date specified by the Company in any notice of cancellation, forfeiture or rescission issued pursuant to or as a result of the circumstances described in Sections B(7), B(11) or B(15), above, or B(20) or B(21), below, or as otherwise permitted by the Terms of this insurance.

Coverage for the Insured Person shall remain in full force and effect unless terminated pursuant to the provisions of this Section B(18), except as otherwise provided in the Master Policy or this Certificate. In the event coverage under this insurance lapses or is terminated in accordance with Sections B(2) and/or B(18)(a) for failure to pay Premium, there shall be no availability of reinstatement. See Section B(21), below regarding renewability.

(19) PATIENT ADVOCACY - Neither the Company nor the Plan Administrator shall have any right, obligation, or authority of any kind to ultimately select Physicians, Hospitals, or other healthcare or health service providers for the Insured Person or to make any medical treatment decisions for or on behalf of the Insured Person, and all such decisions shall be made solely and exclusively by the Insured Person and/or his/her guardians, family members and treating Physicians and other healthcare providers. Subject to the foregoing, the Company may determine that a particular claim, benefit, Treatment, or diagnosis occurring under or relating to this insurance may be placed under the Company's "Patient Advocacy" program to ensure that Medically Necessary services and supplies are provided in the most cost effective manner. In the event the Company determines that a claim, benefit, Treatment, or diagnosis meets the Company's Patient Advocacy program guidelines, the Company will notify the Insured Person as soon as reasonably practicable, and a Patient Advocate will be assigned to the Insured Person. Thereafter, the Patient Advocate may make recommendations of treatment settings and/or procedures and/or supplies that may be more cost effective for the Company and/or the Insured Person. Such recommendations will be made with input from the Insured Person and/or the Insured Person's guardians, family members and treating Physicians and other healthcare providers, and will be made only when it can be reasonably demonstrated that the Medically Necessary treatment, services and/or supplies can be provided in a more cost effective manner to the Company and/or the Insured Person. The Company will use its best efforts to evaluate and recommend treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Insured Person. The Insured Person is under no obligation to accept or follow any of the Company's recommendations. However, if the Insured Person accepts and follows any of the Company's recommendations, the Insured Person agrees to hold the Company harmless from same, and the Company shall not be held liable or otherwise responsible for any treatment, service, supply, procedure or care provided to the Insured Person except for the payment of claims and benefits eligible for coverage under the Terms of this insurance. After the Insured Person has been notified that the claim, treatment, benefit or diagnosis meets the Company's Patient Advocacy program guidelines, the Company reserves the right, at its option and in its sole discretion without liability, to:

- (a) Make payment for services, treatment and/or supplies which, although not expressly covered under this insurance, may be beneficial to the Insured Person and cost effective to the Company; and/or
- (b) Deny coverage and/or benefits for any charges that exceed the amount the Company would have covered had the Insured Person accepted and followed the recommendations of the Patient Advocacy program.

(20) RIGHT OF RECOVERY - In the event of overpayment by the Company of any claim for benefits under this insurance, for any reason, including without limitation because:

- (a) All or part of the claim was not incurred by or paid by or on behalf of the Insured Person; or
- (b) The Insured Person or any member of the Insured Person's family, whether or not the family member is or was an Insured Person under this insurance plan, is repaid or is entitled to be repaid for all or part of the claim by Other Coverage or by or from a source other than the Company; or
- (c) All or part of the claim was not eligible for payment or coverage under the Terms of this insurance; or
- (d) All or part of the claim was paid or reimbursed based on an incorrect or mistaken application of benefits under this insurance; or
- (e) All or part of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider; or
- (f) The Insured Person is not liable or responsible as a matter of law for all or part of a claim;

The Company shall have the right to a refund of and to recover the amount of overpayment from the Insured Person and/or the Hospital, Physician, or other provider of services or supplies, as the case may be. For overpayment of claims under paragraphs (c) and (d), above, the amount of the refund and recovery shall be the difference between: (i) the amount actually paid by the Company; and (ii) the amount, if any, that should have been paid by the Company under the Terms of this insurance. For all other overpayments, the amount of the refund and recovery shall be the amount overpaid. If the Insured Person or the Hospital, Physician or other provider of services or supplies does not promptly make any such refund to the Company, the Company may, in addition to any other rights or remedies available to it (all of which are reserved): (i) reduce or deduct from the amount of any future claim that is otherwise eligible for coverage or payment under this insurance, to the full extent of the refund due to the Company; and/or (ii) cancel this Certificate and all further coverage of the Insured Person under the Master Policy by giving thirty (30) days advance written notice by mail to the Insured Person's last known residence or mailing address.

(21) RENEWAL/AMENDMENT – Coverage under the Visitors CareSM plan may be renewed for extended periods of coverage from 5 days to 12 months up to a maximum total of twenty-four (24) continuous months. Any one policy period may not exceed twelve (12) months. If any Period of Coverage under this insurance has lapsed or terminated for any reason, coverage under the Visitors CareSM plan cannot be renewed, but may be separately rewritten under a new certificate after the then-current Period of Coverage has expired (assuming applicable eligibility guidelines are met). A new application with premium must be received by the Company in order to effect rewritten coverage, and upon acceptance, a new certificate will be issued and a new initial period of coverage will be established for each rewrite effected. New deductibles, scheduled benefit limits and sub-limits, conditions of coverage, eligibility requirements, and Pre-existing condition exclusions will apply to any separately rewritten and non-continuous coverage periods.

- a. At the time of any request for renewal, the Insured Person must satisfy all of the then-current eligibility requirements for this insurance, as established by the Company at its sole discretions (see e.g., Section D); and
- b. The maximum period of continuous coverage under this insurance, including the initial Period of Coverage and any renewed and extended Period(s) of Coverage, may not exceed a total of twenty-four (24) continuous months; and
- c. A new Deductible and Coinsurance will apply for each Period of Coverage under this insurance; and
- d. Upon the Company's acceptance of a renewal application, a new declaration of insurance and the then-current form of certificate of insurance for this insurance plan will be issued to the Insured Person by the Company.

The Company's commitment and the Insured Person's ability to renew is also subject to termination upon thirty (30) days written notice to the other party prior to the expiration date of the then existing Period of Insurance. The Company reserves the right in its sole discretion to make changes, additions and/or deletions to the Terms of the Master Policy, this Certificate, renewals or replacements of either, and/or to the Visitors CareSM insurance plan (including the issuance of Riders to effectuate same) at any time or from time to time after the Effective Date of Coverage of this Certificate, upon no less than ninety (90) days prior written notice to the Assured and the Insured Person (Notice of Amendment). The Notice of Amendment shall include a complete description of the changes, additions and/or deletions to be made, the effective date thereof (the Change Date), and notice of the Insured Person's cancellation rights as set forth below, and shall be sent first class mail, postage pre-paid, to the last known residence or mailing address of the Insured Person. Upon issuance of the Notice of Amendment, the Assured and/or the Insured Person shall have the right to request cancellation of this Certificate pursuant to the provisions of Section B(11), above, at any time prior to the Change Date; provided, however that cancellation under this Section B(21) shall be at the option of the Insured Person, and coverage under this insurance shall terminate with effect from the cancellation date specified by the Insured Person (subject to the provisions of Sections B(18)(a)-(h)). If the Insured Person does not elect to cancel this Certificate in accordance with the foregoing, the changes, additions and/or deletions as made by the Company and specified in said Notice of Amendment shall take effect as of the Change Date specified in the Company's Notice, and this insurance shall thereafter continue in effect in accordance with its Terms, as so amended and modified.

(22) EXPLANATION OR VERIFICATION OF BENEFITS - In the event of any verbal or telephone inquiry, every attempt will be made to help the Insured Person and his/her providers understand the scope and extent of available benefits and coverages under this insurance; provided, however, that no statement made by any agent, employee or representative of the Company or the Plan Administrator will be deemed or construed as an estoppel against the Company or be deemed or construed to modify, extend or amend the Terms of the Master Policy or this Certificate, unless expressly set forth in writing. Actual eligibility and/or acceptance

determinations, final coverage decisions, and benefit or claim payments can be determined and adjudicated only at the time a proper and complete Application and/or Proof of Claim is submitted (as the case may be), an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder received, and all facts are presented in writing. The Terms of the Master Policy govern all available coverages and payments made or to be made. If a definite answer to a specific benefits or coverage question is required for any reason, the Insured Person or his/her provider may submit a written request to the Company, including all pertinent medical information and a statement from the attending Physician (if applicable), and a written reply will be sent by the Company and kept on file. If the Company elects to verify generally and/or preliminarily to a provider or the Insured Person that an Injury, Illness, diagnosis or proposed treatment is or may be covered under this insurance, or that benefits for same are or may be available under this Certificate, such verification of benefits does not guaranty either payment of benefits or the amount or eligibility of benefits. Final eligibility determinations, coverage decisions, and payment of claims or benefits are subject to all Terms of this insurance, including without limitation filing a proper and complete Proof of Claim under Section B(3) and Cooperation under Section B(13).

C.
